

Reporting Violent and Disruptive Incidents To Meet the SED/NCLB School Reporting Mandate

Benefits of the Violent and Disruptive Incident Reporting System (VADIRS)

- ☞ Schools in the district are tracked by BEDS Code.
- ☞ VADIRS is password protected.
- ☞ Each school records each violent and/or disruptive incident in the format and manner prescribed.
- ☞ Each school maintains its own database of incident reporting.
- ☞ Each school accesses a summary report on violent and/or disruptive incidents at any point in the year that is the actual summary report required by the SED.
in the format prescribed by the SED.
- ☞ A district summary report on violent and/or disruptive incidents is generated in the format and
manner prescribed by the SED.
- ☞ Violent and/or disruptive incidents are tracked and monitored internally to report the number of
incidents related to each offender.
- ☞ Additional administrative reports and links to any student information system (SIS).
- ☞ Houses all district-approved, additional behavioral forms within the system as PDFs.
- ☞ EVI technical support is rapid and effective.

Software Dimensions

- ◆ VADIRS is accessible as a stand-alone or multi-user solution.
- ◆ VADIRS is accessed through your web browser.
- ◆ Formatted templates provide all that is needed for loading and reporting
